

# Won't You Kiss Me One More Time

New Coon Creek Girls

    C        F                C  
I've had too many of your kisses  
                                G  
To ever get you off my mind  
    C        F                C  
So if you're really going to leave me  
                G                        C  
Won't you kiss me one more time

## CHORUS

F                                C  
One more kiss won't really matter  
                                G  
No more sorrow can be mine  
    C        F                C  
And I might cry just one less teardrop  
                G                        C  
If you'll kiss me one more time

Yes I know you'll be pretending  
You'll have another on your mind  
But it hurts to know that you don't love me  
But won't you kiss me one more time

## CHORUS

One more kiss then walk away dear  
True happiness I know you'll find  
But just this once before you leave me  
Won't you kiss me one more time  
                                G  
Yes won't you kiss kiss me one more time
